## New Customer Tech credit FAQ

**What is the promotion?** AccuPay Systems and Human Interest are teaming up to offer your clients special savings when they sign up with Human Interest by December 31, 2020. Tech credit amount is off of Human Interest fees and the amount varies based on the number of employees and requires annual billing.

**What is the process?** To qualify for tech credit, the customer is responsible for emailing a copy of current invoice to [partners@humaninterest.com](mailto:partners@humaninterest.com) within 30 days of signed agreement. Check will be processed within 45 days after end of quarter, provided the plan has launched and we have received supporting documentation. Tech credits must be claimed no later than January 31, 2021.

**What customers are eligible?** Any new or existing AccuPay Systems customer who signs up with Human Interest by December 31, 2020.

**How does customer receive the tech credit?** Customer will receive a tech credit check in the mail addressed to the company.

**How long will it take to receive check?** Customer will receive check approximately 45 days after the start of the next business quarter, provided we have received supporting documentation.

**Valid October 1 – December 31, 2020.**
